

COMPREHENSIVE & INTEGRATIVE BREAST CARE

The Pink Lotus Breast Center is a comprehensive and integrative breast center exclusively dedicated to the prevention, screening, diagnosis and treatment of breast cancer.

Expedited scheduling; quick answers; less stress; top doctors; female-run; not hospital-owned; no facility fees; and a single location for all of your needs. Just a few of the many reasons why PLBC's integrative approach to breast care is unsurpassed and puts each patient first, every single time!
